`O my Most Beloved, Raheem, Kareem Allah,
Most Kind and Loving Allah ... Forgive us all our sins.

`Our major sins, our minor sins
those we did intentionally, those we did unintentionally,
those we did in the darkness of the night and those in broad daylight.

`We thought nobody was watching us perpetrating those sins ...
But, Ya Allah, You were watching us.

`You are 'Baseer' (All Seeing) ... Nothing can be hidden from You.

∞

`Ya Allah, You love to forgive, we beg You to forgive us.

`We have turned to You only, and not to anyone else.
There is no one else that we can turn to!

`You are our Ma'boode Haqeeqi ...

`My Allah, there is no one Worthy of Worship besides You.

`You are Most Powerful !

`You are Ra'uf (Compassionate) and All Forgiving, my Allah.

`You Alone do we worship and You Alone do we ask for help.
There is no one else who can help us or give us refuge.

'La malja'a wala manjaa minka illa ilaika' ...

`There is no refuge, there is no shelter, no escape from You but to You!

`We can only run towards You my Allah.

`Only You can forgive!

∞

`Shower Your mercy upon us my Allah.

Hum Naadim Hê ... Hum Sharminda Hê

We are ashamed of having committed so many sins.

We have led a life of Ghaflah (negligence) ...
we are now tired of that filthy life, my Allah!

We are restless, we are not happy with living such lives
and we have become tired of committing those sins, my Allah ...

We desire only YOU my Allah, we want to turn towards You.
We only have hopes in You.

We have abandoned the sins we have indulged in,
and promise not to go back to those sins.

Now make us live a pious life my Allah ...

∞

Ya Allah, make us from the Zaakireen.

Make our tongues moist with Your Zikr.

Make our tongues and hearts feel the sweetness of Your Zikr.

Make the coolness of Your Zikr penetrate our hearts my Allah.

Ya Allah, give us Sukoon (peace) in our hearts ...

∞

Ya Allah! Protect us from nafs and shaytaan ...

Remove all the filth that has accumulated in our hearts.

The pride, the jealousy, the malice, the hatred, the anger,
and all the filthy morbid sins that have clogged our hearts.

The immorality, the darkness that engulfs our hearts due to casting lustful glances.

All these spiritual maladies have caused dark spots to appear on our hearts.

Our hearts have become heavy and hard.

Ya Allah, with the Barakah of Your Zikr that we have just made,
make our hearts bright, pure and shine again my Allah.

`Ya Allah Hamare Dilo ko Muzakkaa, Mujallaa, Musaffaa bana ...

`Ya Allah, purify and cleanse our hearts!

`Make us become spiritually clean and pure, my Allah.

`Make us become good Muslims and Believers.

`Make us become Your friends, Ya Allah; You become our Friend!

`Include us, despite our unworthiness, in the list of Your special friends ...

Make us amongst those who are Your Awliya.

`We are very weak, my Allah, our bodies are weak,
our minds are weak, our hearts are weak, our actions are weak,
but You are most Powerful, my Allah.

`You are Qawee, You are Hakeem, my Allah, You are Azeez,
You are Ghalib, You are Samad, You are Mughnee ...

∞

`Everything is in Your control. Our hearts are in Your control,
our bodies are in Your control, the entire universe is in Your control.

`The sun, the moon, the stars, the earth, the mountains, the trees, the jinn,
the angels, the animals, the birds, the fish, the rivers, the oceans are all in Your control.

`We are Your slaves, my Allah, everything is Your creation, my Allah.
You are free from every single defect, blemish, shortcoming, fault and deficiency.

`You are Paak and Pure! Subhaanak! Ya Rabb!

`You are not in need of anything, but everything depends on You ...

∞

`Ya Allah, make us from the Saaliheen, Muttaqeen.
Make us from the Faa-izeen my Allah. Make us from the Mufliheen my Allah.

Make us from amongst those who are successful in the
Dunya, Qabr and Aakhirah, my Allah!

`Ya Allah, forgive us!

`Ya Allah, we are going astray.

`Ya Allah, do not let us be deviated.

`Give us Hidayah!

`Ya Allah, everyday the challenges are becoming more and more severe.

`Ya Allah, the waves of Fitna are lashing upon us.

`Ya Allah, do not let us get caught in that storm!

`Give us Najaat, my Allah!

`Ya Allah! Take us safely to the shore.

`Ya Allah! Make us reach our destination with Aafiyat.

`We have total reliance only on You Allah!

`Send Your winds of Mercy and guide us to our destination.

`Show us the right path ... Ihdinas Siraatal Mustaqeem.

`My Allah, hold us by our hand and put us on Siraatal Mustaqeem and keep us on Siraatal Mustaqeem until we leave this Dunya.

`Ya Allah make our movement on the road of Siraatal Mustaqeem easy and enjoyable for us my Allah ...

`Every step that we take in our lives, my Allah, every second, every moment, every breath we take, let it be in Your love, my Allah. Grant us the ecstasy of Your love. You are our Beloved and we are Your lovers, my Allah.

`Make us Your true, sincere and loyal lovers ...

`Grant us Aafiyat, Salaamati, Hifaazat, Izzat, Aman, Chen, Sukoon, good health, bless us with Raahat, protection, Your Ma'rifat and Taqwa.

Whatever difficulties we have, my Allah,
remove our difficulties and problems - domestic, financial and social.

Those that are in financial difficulty, ease their difficulty and remove their debts.

Those that can't find jobs, make it easy for them to find a suitable job.

Protect us from Zina (adultery) and Riba (interest).

`Let Aman and Amaan (peace) prevail throughout the world ...

∞

`Make the disbelievers see the truth in Islam and accept Islam.
